

ABC 1 Alphabet Colouring Book with its warm hearted pictures has been designed to help the child in his intellectual and emotional development. It contains 26 black and white pictures with an alphabet letter placed at the top of each page. Each picture shows a person or an animal in a specific situation and environment stimulating the child's imagination and helping to remember the character as a part of this scenery. So for example, Mr. and Mrs. Abe collect the apples from the trees, the bear builds the stone bridge, the cat sleeps and dreams about a birthday cake, the dog plays with a frog, the elephant splashes his daughter with the water from his trunk and so on. Colouring these pictures gives the child plenty of time to visually get used to the sight of the letter while learning the skill of drawing in a joyful and fun way. This colouring book is supported by an e-book ABC 1 Alphabet Poems & Pictures, which is the coloured version of this book with a short poem for each letter. It gently helps to catch more deeply the interest of our active little ones.
