

## 8 Habits of Love: Overcome Fear and Transform Your Life

A spiritual guidebook to living life through love and connection, not fear and isolation, by a respected pastor and a frequent guest on Oprah's Soul Series. Reverend Bacon believes that every person can live a full and creative life if they can learn to move through troubling emotions such as fear, anger, and sadness to find the beloved within themselves. Readers will learn how insecurity can keep us from connecting with others, our loving self, and finding our own peace, joy, and creative power. 8 HABITS OF LOVE will show, through relatable stories, how to create a full, meaningful life by developing simple habits—stillness, truth, forgiveness, compassion, play, candor, generosity, and community—and by asking such important questions as: How do I know I'm living the life I should be? How do I forgive those who have hurt me? How do I talk candidly with difficult people? How do I best help others when they need it? And How do I let go of the past and move forward? Having dedicated his life to helping others, Ed Bacon has seen firsthand that when we open our hearts to love's abundance we are able to transform our lives for the better and make the world a more just and peaceful place. Through illuminating stories and invaluable advice, 8 HABITS OF LOVE reveals how we can create full and meaningful lives by developing simple yet profound habits of generosity, stillness, truth, candor, play, forgiveness, compassion, and community. When put into practice in our daily lives, these important habits help us make the choice—day after day—to reject fears held and embrace, instead, the immense power and grace within all of us.
