

The Rugger Boys - Volume 2 - A Spoonful of Style and a Tonne of Class!

In the south of France, leave the motorway and keep going over the fields. You'll end up seeing the Paillar bell-tower. In this village where rugby is king, even the roundabouts are oval! The Paillar team is only afraid of one thing that some Englishmen with bad intentions will turn the local pub into a tea salon! Also when the All Blacks look for a sparring partner to prepare for the world cup, our players, Light bulb, Fat neck, the Anaesthetist, Trumpeter and Romeo can't resist the call of the southern hemisphere. Cauliflower ears, broken noses and black eyes aplenty!
