

A Touch of Blue Beading & Jewelry Making Tutorial Series I70

A simple elegant necklace you can wear on formal events. You can create the necklace with a touch of other colors, other than blue tone. Any color will perfectly match the white pearls. The necklace measures 17.75 inches long, including the toggle clasp. If you need a longer necklace you can string more pearls and bicones on Step 2 or add more sets of pattern for the focal design. The tutorial is catered for confident beginners with knowledge of basic Right Angle Weave and Stringing technique. It has in-depth instructions and ultra-clear, close-up photos at each step. Additionally, you can ask me question you have on the tutorial. No more getting stuck and frustrated on a confusing or just plain inaccurate pattern. If you followed this tutorial and then sell the accessory or jewelry, please give credit to the author or DIY Beading Club.com
