

## New Directions in Business Ethics (SAGE Library in Business and Management)

As problems such as corruption, financial scandals, food safety, human rights and pollution continue to hit the headlines, business ethics are becoming increasingly central to the global economy. In the four volumes of New Directions in Business Ethics, Andy Crane and Dirk Matten, two of the leading international figures in the field, bring together the most critical and up-to-date academic research in business ethics as it continues to proliferate in new and exciting directions.
