

St. Janas Academy

Behind the gates of St. Janas Academy, future leaders are created and nothing is what it seems. High school sophomores, Type-A Cass and stoic jock Caleb, find their lives entangled in a mystery brewing across their sleepy New England campus. Cass and Caleb must put aside their differences and work together to unravel the dilemma. Yet, as they work together to solve the puzzle, they are face with life-changing events and deadly consequences. When the rich students of St. Janas start to find their bank accounts empty, Cass springs into action to find the thief. Her first suspect is Caleb, a local boy attending St. Janas on scholarship. During the course of her investigation Cass discovers that Caleb is attempting to solve his own heart breaking mystery. As the two join forces to restore order, they find themselves drawn deeper into the schools dark past. Told in dual perspectives, the first installation of the St. Janas Academy series is a gripping mystery laced with humor, enthralling characters, and the tragedy of loss.
