

Boyfriend Guide for The New and Confused Guy

This book serves as a guide for guys that want to treat their girls in a loving and special way. It provides an insight for ways to have a loving relationship. Ways to build trust and have a more harmonious relationship with your partner. If you have never been in a serious relationship before this book will surely help you get started. If you want to be a better man for your girl, be a better partner, this book offers insight on how to do that. This book is in no way for flings or short term relationships. It goes into topics that are deeper and more intimate. Even if you are already in a serious and committed relationship and have been for quite some time, This book could be a good reminder of things. Its so easy to get caught up with everyday life and routine. This quick and easy read can help steer you back on track when things go stale. It helps you to stay the man, that your partner fell in love with at the start. I walk the reader through some of my experiences in relationships as well as those of friends. I provide concrete examples and some humor to keep things fun. I teach you how to learn from your mistakes as well as my own in the past. My goal is to make you a better man, and a better partner. I realize that no relationship is the same, and every person is different. I do however think that everyone can learn something from this book. Whether its how to be understanding, empathetic, or affectionate. Read it along with your partner and grow together.
