

# Anti Us

Anti Us (working title) is a Graphic Novel created by George Okuefuna which follows Iy, a former slave who seeks to put an end to the newest slave trade brought back by the god of the Viridia a green skinned race who pronounce supremacy over the other world races due solely to this skin colour factor. On his journey he meets a young girl named Samajae who endlessly has had dreams for as long as she can remember of a man she needs to devote her life to help; namely Iy. Now they must travel the land of Prevail the capital of planet Iri and all its Heavens governed by appointed guardians called the Masters of Peace (M.O.Ps). Iy will meet with allies and a plethora of adversaries as he travels from one heaven to the next, with an end goal of stopping Viridian supremacy once and for all. Like the story?
