

This book is about the Satanic Antichrist who does not do battle with the believers of Jesus Christ only in an apocalyptic struggle at the end of the world but he engages each person in the world every day. He does this by personally involving himself in their moral and spiritual-religious decisions, always seeking to deceive, if possible, even those who believe and trust in Jesus Christ. The book describes in clear terms the different strategies Satan uses to deceive believers, the political and social systems in the world and especially the Catholic Church itself. The author provides a clear understanding of how not to be deceived by these strategies and even how to come closer to Our Lord in spite of Satan's deceitful ways. The following Antichrist strategies and tactics are described in detail: Armageddon: An Evasion of Satanic and Moral-Religious Reality - The Antichrist Diversionary Tactic Mutating the Teachings and Purpose of Jesus Christ - The Antichrist "Chameleon" Tactic Confusing and Diminishing the Person of Jesus Christ - The Antichrist Diminish by Dispersion of Identity Tactic The Purpose of Christianity is Social-Political Good Works - The Antichrist "Mutation and Metamorphosis" Tactic Jesus Christ is Defined by, and Confined into the Temporal Social-Political Context -The Antichrist Confined into the "Social-Political Box" Tactic Christianity Fragmented - The Antichrist "Split and Isolate" Tactic Christs Believers Excluded from Popular Christianity - The Antichrist Guilt by New Testament Association Tactic Messiah of the Millennia - The Substitution Tactic These tactics are described in detail so that one can see the deceptive strategies used by Satan to deceive the world and each soul, but as the author summarizes In the last chapter, our hope is in knowing in the end Jesus Christ and His Church will not be deceived. The author ends with " I do not believe that Satan or his Anti-Christ Strategy will ever be able to touch or corrupt such a person who says and humbly believes, Have mercy on me, my God, my Teacher, my Spirit, my Life! for I am a sinful man. Jesus Christ my Lord and Savior. [cf. Lk 18: 13] and then spiritually, psychologically, and intellectually embraces not any power and glory but the Christ of that idealistic Cross of Calvary, the Christ of devotion to the totality of Truth, because the believer of religious humility knows with certainty, with his whole mind, and whole heart and soul, that it is this Christ who has the words of Eternal Life. To whom else can a rational-religious Christian believer seeking Life Eternal go? [cf Jn 6:68].
