

The Secrets of Life and Beyond (Volume 3)

We have all pondered the meaning of life. We have all wondered about how to live a more optimal existence, and at the same time we have all questioned what lies beyond our mortal souls. Whatever the challenges we face, we could all use some guidance to give us the answers we are looking for. The authors years of hard work as a psychotherapist have honed his abilities to provide you with the principles and tools to help you unlock the mysteries of your mind and beyond. After all, who hasnt wanted to challenge the negativity of their doubting beliefs about themselves, and of the universe around them. And who hasnt wanted to move forward from the insecurities that have held them back in their life? Eradicating the fears that have held us back is within everyones reach. Answering those questions that have plagued us throughout our lives will lead us on to greater successes. The secrets of life and beyond can be discovered by us all... The first steps lie within. To help you continue on your journey of discovery and enlightenment look out for all the books in The Secrets of... series.
