

Bigger Than The Sky is a wake-up call. Seemingly about sorrow, the sun keeps breaking through. As you turn the pages, you will meet Vicki and her friend Peter. Vicki facing her husband's death and Peter having awakened after a series of strokes. Peter lived in peace and presence, no matter what occurred. Peter loved Ramana Maharshi, who embodied that same peace—most of the time he sat in the sun with his cats, life itself having become his teacher. Bigger Than the Sky is Vicki's story, Peter's story and everyone's story. A light-filled book of wisdom that will leave you wanting more.
