

Joanna Sheens World of Cards

With 20 original step-by-step projects and 81 alternative, inspirational designs, the many exciting techniques explored in this idea book include cards on acetate, cards with pockets and envelopes, shaker designs, and 3D paper architecture such as pop-up and waterfall cards, star and book cards, and exploding boxes. Projects include layered, decoupage, collaged, stamped, embossed, glittery, mirrored, and stencil designs pulling much inspiration from strongly traditional and more contemporary designs, all of which adhere to the overarching style of the project guide. With its lavish, original design and beautifully-styled photography, this book is packed ideas for cardmakers of all skill levels.
