Orlana, spoken of in hush tones as the Death Princess, rules over all who oppose her reign. Not by force, but through the most dangerous of all magical powers—the ability to control minds! Under the Death Princess shadow of dominance and fear, the humans of Earth find themselves at risk of their civilization falling completely under her rule forever! Until Kon, a young but powerful wizard finds himself on an unimaginable quest to break Orlana's curse on humanity, and set free those she wishes to forever hold under her spell! The latest chapter in the Charismatic saga begins now!
