

## Live on Purpose Mastery Class

Live on Purpose - Mastery Class, is built on a simple theme. Find out why you do what you do, and then follow the step-by-step guide to change your programming to work for you instead of against you. If you can come up with the why? then this book will help you with the how? As a Senior Consultant with the Ken Blanchard Companies I've spent the last eight years presenting hundreds of seminars all over the world, spending time with people who are the top of their game and those on the other end. I've learned from dozens of highly successful people, read a mountain of books and extensively researched and coached all the topics that you will find in Live on Purpose-Mastery Class. I know what makes you successful and I know what stops you from being successful, and now I want to show you how to change your programming to beat the system once and for all. All Amazon Clients will receive a FREE Live on Purpose- Mastery Class Journal which was custom designed to be used with your Live on Purpose- Mastery Class book.
