

Create Greeting Cards With Glass Painting Techniques

Something new and exciting for greeting card artists! This book shows how you can turn an ordinary sheet of flexible acetate (available at any craft or office supply store) into an unforgettable, one-of-a-kind greeting. All it takes are some simple glass painting techniques, the clear step-by-step instructions and full-sized templates in this book, and anyone can achieve charming results in minutes. The author even shows how to add a little extra dazzle with glitter, beads, ribbons and other decorations. Card-makers will find this book to be a never-ending source of ideas for holidays, birthdays, weddings, graduations-any special occasion.
