

Eeek! #4

This retro-style anthology of all-new horror tales is guaranteed to give you the eeries and the creepies! Taking a pinch of black humour from EC comics and mixing it with the art stylings of House of Mystery and Warren comics, EEEK! blends a heady broth that hits you like a burning incense stick to the retina. Jason Paulos delivers the goods with tales of revenge, zombies, vampires, ghouls and monsters. Each tale drawn in a different style reminiscent of the B&W horror mags of the 70s and 80s. We begin with In Too Deep where rival treasure hunters plumb the depths of the ocean ... and their very souls! Our second helping is Confessions of a Thrill Killer where we ask the reader; have you ever felt like murdering a stranger in cold blood? And finally, Like Mother Like Son, Tommy Lomax runs away from home to find his father ... only to discover a terrible secret! Plus a horrific Jason Paulos EEEK pin-up gallery!
