

Death Follows

Birdie, her sister, their pregnant mother, and their sickly father all live together on a struggling farm. When an itinerant farmhand named Cole comes to their aid, the children should be relieved. Instead, they find their lives spiraling into nightmare, as Cole regards Birdie with menacing desire. To make matters much worse, wherever he goes, the dead grow restless. As the horror threatens to consume her home and her family, Birdie is haunted by a chilling warning: Some secrets are meant only for the dead.
