

## Demons of Sherwood

Its twelve years after Robin Hood saved Marian and Sherwood and restores Richard to the throne. Is he living happily ever after? Of course not... Robin is a drunk. He hasn't seen Marian since he saved her. He hasn't seen the merry men, either. And now comes word that Marian has been jailed as a witch by the Inquisitor from Rome. But getting in shape can be his greatest quest. Written by Robert Tinnell (EZ Street, Feast of the Seven Fishes) and painted by Bo Hampton (Viking Glory, Legend of Sleepy Hollow, Batman, Moon Knight), Demons Of Sherwood is a new and inspirational look at a famous legend.
