

Why is there never enough time in the day to do all the stuff you want to? Why does your in-tray just keep growing? Is it alive? Written for the time-starved and terminally untidy, Detox Your Desk is the perfect antidote to pressure cooker of the modern office. Its flat out but you still fell like youre not getting anything done. And no wonder. Its hard to do anything meaningful when youre swamped by piles of paperwork and endless to do lists. Detox Your Desk helps you fight back by purging your system office toxins, so you can take control of the everyday stuff and calmly field whatever lands in your in-tray. It starts with the physical clearing out of all the rubbish that litters your life and then gives you practical tips to help free up your thinking. Detox Your Desk puts you on a ten-day programme thatll result in a tidy workspace and a clear head. All of the changes are easy. Stick with them over the long term and youll change the way you work forever, giving you more time and a greater choice in every area of you life. This you big chance to get on top of your workload and start to enjoy work and life again. Youll soon be the most efficient and effective person you know!
