

## Eerie Britain

Britain: this is a land with more ghost stories than you can shake an EMF detector at. Perfectly good farmhouses harbour mischievous poltergeists and snowy mountain ranges are home to baffling spectres, while castles and country houses list royal apparitions amongst their denizens. It seems as though around every corner of this archipelago there lurks a ferocious monster legend, a mysterious tale or a terrifying phantom. Eerie Britain takes a vivid look at ten of the most intriguing and terrifying real-life ghost stories to be found on these shores, revelling in their macabre nature but also striving to uncover new facts.
