

Angel Embroidery Patterns to Embroider Plus Techniques on How to Transfer onto Fabric Inside are 19 angel black and white images for you to embroider plus 2 sets of angel wings to embroider, without any color charts. You choose whatever colors and stitches you want to create your angel masterpiece. Every angel image has been flipped so you can choose to have your angel looking left or right (which means there are 38 angel images)! Also, if you choose to use a Hot Iron Pen, you don't have to worry about flipping any image with words. It is already done for you. (The 2 images of the angel wings did not need to be flipped.) Learn how to use dressmaker's carbon, an ink jet printer, light box, window, and/or a hot iron transfer pen to transfer your angel images onto your fabric of choice.
