

Good Morning (Gay Erotica) - text and comic edition bundle

A bundle of my first short story, plus the comic adaptation of it. Done in a sketchy, loose style that manages to convey complex human emotions in a few simple strokes, it is a comic that flows out of the bounds of its medium. Lawrence has never been the kind of person to enjoy waking up, yet the arrival of a new roommate might serve to brighten up his mornings considerably. Once he accidentally ends up baring more of himself than he'd intended in front of said roommate, Lawrence finds he absolutely can't resist teasing him to hell and back. Features: masturbation, oral, footjob, voyeurism. You may buy the text version separately
