

After somehow escaping the madhouse that is post-war Florida, Snake Plissken faces the gauntlet of Siberia, where he faces both old enemies, and new soldiers looking to make a name by themselves by taking down a legend. After bringing the John Carpenter classic *Big Trouble in Little China* to comics, the response has been so strong that we knew we had to bring another Carpenter classic to comics in a style and approach that does *Escape From New York* justice. Eisner-nominated writer Christopher Sebela (*HIGH CRIMES*, *DEAD LETTERS*) and artist Diego Barreto (*IRREDEEMABLE*) bring an action-packed adventure that rocks for both long-time Snake fans and newcomers.
