

# Influence of Quality Assurance Indices on Sec. Sch. Curr. Implementation

This book titled: Influence of Quality Assurance Indices on Secondary School Curriculum Implementation In Rivers State, is a motivational book, aimed at bringing about quality in the management of secondary schools. It deals with quality assurance indices that would enhance the quality of our secondary school products if vigorously implemented in the curriculum of our education system. These quality assurance indices include adequate funding, provision of adequate infrastructure, employment of highly qualified and committed teachers and so on. The book therefore recommend that these quality assurance indices should be put in place for an effective curriculum implementation in secondary schools.
