

## Giles The Collection 2016

Fans of Giles will be thrilled to receive the latest annual treat from the archives of the celebrated cartoonist, whose work won him huge popular admiration and accolades including being voted the best cartoonist of the 20th century. In this collection, Giles takes a tongue-in-cheek look at the beloved institutions that make Britain great. Taken from the Express and the Sunday Express archives, 150 cartoons poke fun at the Monarchy, the BBC, the Pub, the Church, Football and Bobbies on the Beat. Brilliantly witty and full of irreverent fun, this compilation is the ideal addition to your Giles collection.
