

# Gold Digger #142 (Gold Digger: 142)

With the were-cat leader Xercie first co-opted and then captured, Dreadwing has freed the Orkrist tyrant Serpentus and left ethereal bait to lure all manner of beasts from other dimensions to destroy Xercies home of Jags Lair. Gina and Brittany fight the onslaught bravely, but Dreadwings left evidence meant to break the fragile trust within Jades ruling council, so the Diggers sisters will be left without backup!
