

Death by Raptor--Bedroom Scene--Raw Edition--Chapter One

The series answer the age old question: What would happen if a Velociraptor was dropped randomly in our lives? This first chapter is raw, unchanged, so be prepared to be grossed out, offended, and possibly turned on. This is the first chapter, and, if by some chance people buy this garbage I call my writing than Ill write more chapters with scenes of random Raptors being dropped in peoples lives. We can laugh as theyre eaten. Anyway, whatever, fuck it and I dont give a shit if you like or not, so fuck off.
