

The Big Book of Lofts

Decorating a loft has never been easier with this comprehensive guide. The Big Book of Lofts features more than 600 different design ideas covering every part of the loft...and then some. The Big Book of Lofts is divided by square footage, with sections titled small, medium, large, and extra large. Each section opens with text describing the decorating challenges unique to loft design, followed by fullcolor design ideas showcasing hundreds of different solutions to outfit every size space with a range of current interior style methods. The styles featured focus on the most popular used by today's best interior designers, including New Rococo, Minimalism, New Rustic, Retro and Contemporary. Photographs are accompanied by captions explaining the different approaches from each designer and architect. Whether it's one part of the loft or the entire space, The Big Book of Lofts is the ultimate reference for every homeowner ready to redecorate.
