

Jesus is Only Coming Twice: The Pre-Tribulation Rapture Heresy

Books dealing with the Second Coming have always been popular. There are literally hundreds if not thousands available. However, virtually all of them deal with the subject assuming a pre-tribulation rapture. Conflicting teachings are ignored or ridiculed. *Jesus is Only Coming Twice* examines the conflicting claims for the timing of the Rapture and Tribulation from pre-, mid and post tribulation positions and demonstrates the Biblical basis (or lack of basis) behind each theory, concluding that the commonly held pre-tribulation rapture theory is an unhistorical and unbiblical heresy. Features: Verse by verse consideration of proof texts in context for the pre- and post-tribulation rapture theories: why the pre-tribulation rapture is unbiblical. Detailed examinations of arguments for the popular pre-tribulation rapture as well as against the post-tribulation rapture by well-known authors such as Hal Lindsey: why the pre-tribulation rapture is illogical. The seldom publicized and little known historical origin of the pre-tribulation rapture idea and a description of the related doctrines of the group that developed it: why the pre-tribulation rapture is unhistorical and heretical. A study of the fulfillment of the feasts of Israel in the two comings of Christ demonstrating the important and clear evidence for a post-tribulation rapture. A comprehensive biblical guided tour of the Tribulation, Second Coming and Rapture starting with the Old Testament prophets and proceeding through the Gospels and Revelation: why the Rapture will occur at the END of the Tribulation and not before it starts. Scientific comparison of the results of the Wrath of God as outlined in Revelation and the effects of a major asteroid strike. A concise explanation of why a persons view of the End Times does matter, that it isnt just a matter of personal preference: how the pre-tribulation rapture theory will

disarm the Church and contribute to the rise of the Antichrist.
