

Justice League 3001, Volume 1: Deja Vu All Over Again (Turtleback School & Library Binding Edition)

FOR USE IN SCHOOLS AND LIBRARIES ONLY. Thanks to Wonder Twins Terry and Teri Magnus, the original JLs DNA has been resurrected in 31st-century bodies. Their powers may be on the fritz and their memories may be patchy, but Superman, Batman, Wonder Woman, Flash and Green Lantern are, well, trying their best. Since they were brought together a year ago, the team has endured countless threats, endless in-house bickering, death, rebirth, death again, and various states in between. But now things are really getting serious: Starro, one of the original Leagues oldest enemies, has enslaved an entire planets population--legally . Meanwhile, its becoming obvious to everyone except the Justice League that their leader, Ariel Masters, is, in fact, trying to kill them, and old friends from the distant past are making their mysterious reappearances (and having some very mixed feelings about the whole thing). Not to mention theres a new Gal Gardner in town. Collects JUSTICE LEAGUE 3000 #14-15, JUSTICE LEAGUE 3001 #1-6 and DC SNEAK PEEK: JUSTICE LEAGUE 3001 #1.
