

Keys to Answered Prayers

Prayer is a two way communication between man and God. Christians commune with God through Prayer, but most Christians complain that they don't receive answers to their prayers. The KEY TO ANSWERED PRAYERS is very simple and it has only one name, it is called COMMUNICATION. It is not your length of prayers that matters, what matters is are you communicating? Imagine picking up your cell phone to make a call, the only way for you to be able to communicate with the person on the other side is to ensure that you have a dialing tone, and that there is a communication link available, to signify you have access to the receiver, without these in place you can't communicate nor even get a response. In this book you will learn the art of effective communication, the proper channel to link heaven directly and get rapid answers to your prayers. You will also learn how to walk under an open heavens every second, every minute, every hour, 24 hours a day, 365 days a year and continually till Jesus comes.
