

Lady Demon, the archduchess of Hell, is on the run! Hunted by Lucifers war parties after a failed assassination plot, her only chance is to escape to Earth inside a living vessel. Selecting a recently murdered young woman named Violet Sparks, she takes flight from Perdition as a stowaway, only able to exert control of her hosts body in times of extreme duress. But little could she suspect that Violet is the center of a dark conspiracy... an innocent wrongly condemned to Hell for the sins of her bloodline. Together, Lady Demon and Violet unravel the mystery of the womans parentage while cutting a bloody, fiery swath through the Deep South!

Reviews: A compelling story and concept. - Graphic Policy Dynamite has found a solid formula for reviving... fan favorite characters and bring them to a new generation. Rating 9 out of 10. - ComicWow! The art is definitely some of the best to appear on a Chaos title thus far. Mirka Andolfo's style is bubbly, sexy, violent and awesome. - Comic Bastards Really crisp visuals... pop from the page, achieving an impressive adult anime feel to it. - Big Glasgow Comic Page
