

Lucifers Garden of Verses Vol. 3: The Student

Inspired by the German silent film classic *The Student of Prague*, this is the story of Andre Baldwin, a down-on-his-luck would-be Basquiat who enters into a Faustian bargain with a powerful art critic in exchange for status, riches and the love of a woman. Acquanetta Scapinelli is the critic in question, and she recounts this bitter tale with sardonic delight... For what shall it profit a man if he gain the whole world and lose his own soul?
