

Tears of Deception

Tears of Deception is based on a true story. It demonstrates the power of forgiveness and the power of love over vengeance and hate. It is a love story which contains a religious awakening that would allow one to see the mercy of God. Pachouco in his love life deceptions quickly recognized the power of prayers because his mother, Faye Esther was a praying woman. Pachouco understood that God can and will pardon anyone who confesses and repents his or her sins. He also understood Gods capability of looking beyond the sinner mans fault and sees his needs. Again, this is the power of love, confession and forgiveness. Through it all, Pachouco learned a valuable lesson, never said never because God is in control. Written by Patrick Pierre, Senior Pastor of Union Baptist Church United Ministry, in Society Hill, South Carolina. To God be the glory.
