

## Marvel Feature # 7 presents the Astonishing Ant-Man

Paranoia is the Para-Man! Starring Ant-Man and the Wasp. Script by Mike Friedrich. Pencils by Craig Russell. Inks by Dan Adkins and Mark Kersey. Cover by Gil Kane and Joe Sinnott. Its an off-beat tale as Ant-Man and the Wasp (both still stuck at insect-size) are captured by an eccentric man and his robotic creation, Para-Man! But oddly enough, its the robot who is calling the shots, and thus the parameters are set! Its the Pym's versus Para-Man! Also features a letter to the editor from comics writer David Michelinie. 32 pages. Cover price \$0.20.
