

My Fairy Godmonster

My Fairy Godmonster is YA fiction, a comic fantasy of 47,962 words. Winifred, fifteen, loves her life raising horses with her dad in Oregon. Its great until her brother returns home from college with his future in-laws. Being motherless hasnt prepared her for the brides mother, a scary dictator. When the bratty younger daughter and creepy cat take over her room Winifred escapes to the attic. Her dad leaves to pick up a prized stallion and her brother deserts her. Winifred is forced into drudgery. Whats she supposed to do with the Fairy Godmosnter who shows up by mistake? Although Winifred admires her cool mentors orange spiky hair, red jumpsuit and yellow boots, shes exhausted trying to keep Fairy Godmonster from being discovered. To make everything worse, Fairy Godmonster has a malfunctioning magic whip. Instead of helping her, Fairy Godmonster creates jungles, hot tubs and wedding boutiques in her attic bedroom. Isnt it enough to cope with obnoxious people, pregnant mares, ranch duties, house chores and the handsome usher?
