

Online Video Works: 30 Ways in 30 Days

Find Out How Online Video Works! Every day entrepreneurs, service professionals and small business owners are finding new and inventive ways to use video to attract new patients, clients and customers and stay in touch with their existing customer base. Informative, entertaining videos are popping up everywhere - on social media, on websites, in email campaigns and more. Why Video? Video makes your business easier to find. With the click of a mouse, you can post video to your blog, website, YouTube, Facebook, etc. and people can watch your video from anywhere anytime, on their computer, smartphone, tablet, even on TV. There's nothing like video to boost your online visibility and credibility. Video can be more personal and persuasive than print and help potential customers to get to KNOW, LIKE and TRUST you faster. K-L-T is important because people want to do business with people they are comfortable with, someone who is likeable and trustworthy. With video, you and your business come to life right before their eyes. The Challenge Many business owners are interested in getting started with online video and recognize video as an increasingly important communication tool, but they struggle to come up with video ideas. If that's you, this book is your answer. Online Video Works: 30 Ways in 30 Days is designed as a video idea book where you'll discover 30 ways you can start using video. I want to give you the motivation to create engaging videos that help you stand out from the crowd and make a personal connection online. Plus, video works 24-7 to spread the word about your business, your brand, your cause or yourself. Use One Idea or Use Them All You don't have to produce a video every day for a month. Your 30 days might take a year! Maybe only one or two ideas will resonate with you or fit your business style. Do what works for you producing videos in your own time, at your own pace. You
