

Nights With a Desert Prince(Yaoi)

In the Arabian Kingdom Sulon women are forbidden from holding royal or political powers and positions, due to an ancient act of betrayal. So neighboring kingdoms select young men after entering puberty who retain feminine attributes to be Princesses. They are known as the Boy-Princesses. They are trained to be able to please their future husbands' fantasies and desires. Abdul a young Boy-Princess is on his way to spend the first night with his future Desert Prince.
