

Out Of This World #5: 1957 Science Fiction Comic

Out Of This World #5 World War II was just starting in Europe, and the comic book as we know it was just a toddler. This was the beginning of the Golden Age of comics! Now you can enjoy again (or for the first time) the exciting stories and colorful characters of this by-gone era. This book contains the entire issue Out Of This World #5, not seen in print for two generations! Now you can with this public domain reprint from UP History and Hobby. Check out the full line - new titles every week! The comic reprints from Golden Age Reprints and UP History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available - if you are EVER unhappy with the experience or quality of a book, return the book to us to exchange for another title or the upgrade as new files become available.
