

Overheard at the Bar at Spit Toons Saloon

Overheard at the Bar is a collection of original, single panel cartoons, the captions for which originated from the authors tweets. It is based on the premise that life is a cartoon, and what we say are the captions. It features patron repartee and bartender toasts, seasoned with a dash of word play, about the battle of the sexes, and the whats-it-all-about angst of life. The book is a sequel to the authors first book: Spit Toons Saloon - Rinncce and Spit Toon, Proprietors - Sad Songs and Funny Tales on Tap.
