

Dark OZ

A 22-year-old Dorothy Gale searches for the Fountain of Youth so she can return to her twelve-year-old self after having been imprisoned by the Nome King while he ruled the Land of Oz. However, she along with Scarecrow, Tin Man and Hungry Tiger discover an abandoned castle in Oz haunted by golems! Based on the timeless classic L. Frank Baum Oz books. Events within Dark Oz take place after the acclaimed Caliber Comic OZ books. Collects issues 1-5. Overview: OZ is based on the characters and history of fourteen children books written by L. Frank Baum. Writers Ralph Griffith and Stuart Kerr have created an updated and unique world, no longer whimsical, but still lots of fun. While the familiar triple treat of Scarecrow, Lion and Tin Man play prominent roles, Griffith and Kerr have mined that magical world for the myriad of bizarre, yet endearing secondary characters which populated it. Prepare to be entertained with a truly unique tale from the land of make-believe.
