

## Flock Of Angels Volume 1 (Flock of Angels)

Angels exist! The members of the number one pop band Angelaid wear wings on their backs when they perform. This inspires their multitudes of fans to wear wings each day in public. But among the people with costume wings, people with real wings secretly exist! One hundred years ago, a meteor carrying the Angelosis Virus hit the earth. This mysterious disease causes wings to grow on humans. Typical teenager Shea suddenly grows wings, goes public, and becomes a celebrity. Can Shea adjust to being a new kind of human? Except for his wings... he's like any other person.
