

The Problem With Christianity: Six Unsettling Questions You Have Asked

The problem with Christianity is... People complete this sentence in many different ways. This book interacts with six of the most common problems people have with Christianity including: 1) Homosexuality & God: why does God seem to be against gay people? 2) Miracles & Science: how can I believe in miracles in an age of science? 3) Exclusivity & Intolerance: how can there possibly be only one way to God? 4) God & Evil: if God is good, why is there so much evil in the world? Whether you have been a Christian for many years, are skeptical of Christianity, or would like to further explore these unsettling questions, *The Problem With Christianity* will prove to be a significant resource in your thinking and conversations with others.
