

Make a statement with these bold, colourful earrings, each pair are full of character and individual style. This fantastic new title Earrings will show you how to make 20 striking pieces, in just nine simple steps or less with clear step-by-step photography and plenty of helpful tips. Earrings is packed with ideas and inspiration with each project offering you creative ideas for using different materials and methods in your jewellery-making. With a clearly set out tools and equipment list and an easy-to-master technique section, it is perfect for artists of all levels of experience. Key points: • Another great title in the inspirational Magpie series • 20 achievable projects suitable for jewellery-makers of all ages and abilities • Fun projects to make perfect and unique gifts • Simple, easy-to-master techniques to ensure perfect results • All techniques are covered in a clear, step-by-step section About the author: Tansy Wilson creates her own bespoke jewellery pieces for private clients utilising a wide variety of materials, as well as producing her own craft range. She also teaches jewellery design at her local Further Education College and works for the University of the Arts London as an External Moderator for art and design programmes. Tansy also contributes advanced jewellery projects for Making Jewellery magazine, a GMC publication. This Kindle Edition is a fixed layout which provides the reader with a visually immersive experience of this beautifully designed book. • Pages can be zoomed with a double tap or pinching • 2 portrait pages can be viewed together by turning the Kindle Fire device to landscape Please note that text is not selectable or searchable. Hyperlinks do not work on 1st or 2nd generation Kindle Fires.
