

This book is about who God is, and because of the word of God which is included in this book. You will be blessed and learn some things about God which you did not know. God is the beginning and the ending. God is the first and last. God is and was before nothing. What is nothing? Nothing does not exist. God is the only true God, because God is the source of all power. God is everywhere. All the time, at the same time. God knows everything and God is all powerful. God is the solution and the answer to all problems and every situation regardless of the severity. Most of all God is love and He loves us all with an everlasting love. Read this book and find the answers to these six interrogatives: Who? What? When? Where? How? and Why?
