

Get what you want with this practical manual to creating love and success. Your dreams and desires define who you are and drive you either to being fulfilled and happy or unsatisfied and depressed. Written by a psychologist, coach and an artist Lira Kay, this book will help you break through the limiting beliefs you have about yourself and the world and empower you to create the life you absolutely must have. Remember, life is just a brief happening. Do you really want to see it go by, never daring to dream and reach for what you really desire? Now or Never is for you, if you had enough of spinning your wheels and never arriving. It is for you if are ready to take action today. Lira Kay expertly lays out exactly what to do when you want to get what you want every time you say “I wish”.
