

# Lucid #2 (of 4)

Things are heating up at the House at Dupont Circle! What is the Prophecy of the Pendragon? What Occult weapon threatens the fate the United States... for the second time? And what exactly is an Astral Amplifier?! Lucid #2 takes you one more giant leap into the strange world of Matthew Dee as the novice Combat Mage races against the clock to prevent Presidents Day from becoming a National Day of Mourning! Written by True Blood actor Michael McMillian and illustrated by newcomer Anna Wieszczyk, Lucid is Archaia's first title published in association with Zachary Quinto (Heroes, Star Trek) and his production company, Before the Door Pictures.
