

A Midsummers Dream

Be true to yourself, be true to your purpose, and be true to others; and what you seek in the great round of life, yourself, you will find. What you do and say, and also what you think and feel, will have profound meaning in your life- always. Here on Earth its the journey that matters, life is not a mere means to an end. Dont worry about an exact destination, just set a general course and begin. When things dont seem quite right, consult your inner compass- youll want to make some changes along the way. And your journeys end will be like a sweet ripe fruit that awaits you at the end of the day. Do not be discouraged! Know that you are loved by others, and by those who have come before. In the great and limitless Cosmos, in the great scheme of things, you are truly the child of the Earth and of Heaven- as much and the same as skies and stars.
