

Witness the untold stories of the Jedi who took a last stand against Emperor Palpatine in the moments during, and immediately after, the events in *Revenge of the Sith*! Watch Darth Vader undertake a Jedi purge of his own in the hunt for Obi-Wan Kenobi! In the jungles of the Wookiee homeworld Kashyyyk, Quinlan Vos wages a battle of impossible odds against his own troops to protect his loved ones. On the icy Outer Rim world of Toola, Jedi Master Kai Huddora takes a terrified Padawan into his charge after her own master falls to Order 66. Amidst the forests of New Plymto, Das Jennir finds himself in league with a band of rebels he'd led attacks against only days before. Not all Jedi are scattered across the galaxy however, and soon, a brave few will plot to topple Sith rule by setting a trap for the newly unveiled Darth Vader!
