

## Still Standing

Still Standing is a collection of original poems and essays written by Jasmynne Shaye. The poems read like private diary entries as each speaks to a specific, intimate moment experienced by the author. Each poem is then followed by an encouraging, thought-provoking essay inspired by the poem it stands with. Its an easy read thats filled with emotion, gratitude, pain, and triumph. The authors message is simple: you may get knocked down, but what matters most is that youre still standing at the end of the day.
